

HiWi

Tutors for OEMV

Motivation

The tutors are responsible for preparing the content for the students using examples and providing guidance in case of questions or uncertainties, thereby supporting the exercise leader. The exercise should be updated and expanded as circumstances require.

Aufgabenstellung

Your specific tasks would include:

- Independently familiarizing yourself with the exercise sheets and the corresponding material
- Redesigning exercise sheets and slide sets
- Managing the ILIAS forum and maintaining other digital content
- Assisting with the ETIT and MIT learning cafés
